Hong Thi My Huynh was born on January 12, 1960 in Ba Ria, Vietnam to Tuong Huynh and Hien Do. After a courageous fight against cancer, Hong went to heaven at age 52, on January 29, 2012 in Norman. Services will be held Friday, February 3, 2012 at 2:00 PM at the Primrose Chapel in Norman. Entombment will follow at Sunset Memorial Park of Norman. The family will receive friends from 4:00 - 8:00 PM on Wednesday and Thursday evening at Primrose Funeral Home. Pastor Richard Unger will be presiding over the services. The Eulogy will be given by Lydia Le. Special remarks by Paul Howard and Gathan Graham.

Hong was a beautiful mother of two, and a precious friend to many. Continually, she gave of herself, laughter and love - always plenty. We are all better because our lives were touched by her. An angel gone from this earth, she will be missed for sure.

In Hong's last weeks on this earth, she often spoke the phrase "I love Jesus," and it always brought a smile to her face and comfort to those around her. Her revelation and love for Jesus was transforming - she truly loved Him.

Hong is survived by her mother, Do Thi Hien; her sister, Huynh Thi Bach; her brother, Huynh Trong Nam; her sister, Do Thi Hoa; her sister, Do Thi Ha; her sister, Huynh Thi Thuan; her sister, Huynh Thi Loi; her brother, Huynh Trong Nghia; her daughter, Huynh Le Mai Tram Ashley; her son, Huynh Le Trong Khuong Alex; her fiancé, Gathan Graham, her nieces and nephews and a host of family and friends. Hong was preceded in death by her father, Huynh Trong Tuong.

The family extends its deepest gratitude for the outstanding care given to Hong during this difficult time.

Mommy,

My heart is broken. I have always avoided the thought of losing you, but now it's reality.

As my mother, you made me smile when I was down. You held me tight when I was scared. You called me every single day just to tell me that you loved me, even if we saw each other that day. You taught me right from wrong and you guided me through every single step I took. As my best friend, you listened to me vent at two in the morning, you gave me advice on all my troubles, and you were always there for me when I needed you. I told you everything and I will continue to tell you everything. You are the only person I can always confide in and trust. Every child should have that relationship with their parents. I realize that some people do not get to have that opportunity, but I am forever grateful to have gotten that chance.

Even though I have told you that I loved you every single day for the past twenty one years...it still doesn't seem like enough.

Thank you, Mom. Thank you for everything.

You will miss a lot physically, but I know you will always be there watching over us.

I promise I will make you proud.

You will live forever in our hearts.

*I love you a hohoho bunch,
Ashley*

My Mom ...

In my eyes, she was the greatest person a son could ever ask for. Mom was always helpful and we respected each other greatly. I love her very much and will always carry her memories with happiness in my heart and soul.

To My Beautiful Sweetheart . . .

The past several years have truly been the most wonderful years of my life - enjoying life with you, the girl I love. I waited a long time to find that special person and never could I (nor can I) imagine my life without you. In you, I found a girl that was pretty on the inside as well as the outside. You have always been there for me! Since your passing, I find myself waking up hoping it was just a bad dream, but then reality sets in and I realize it isn't. The only thing that gives me comfort is knowing you are in Heaven with Jesus. When you found Him, an eternal relationship began between you and Him that is very precious and oh so divine.

I pledge to you that I will make heaven my home - I am already longing for the day I get to see my brown eyed angel again. I am so glad that we lived life to the fullest together, and that God allowed a beautiful girl from Vietnam to fall in love with a boy from Oklahoma. I'm so thankful that I was blessed to have you for the time that I did. You made me a better person. You are now in God's hands - safe safe safe and free from pain. I feel like I am truly the luckiest guy in the world to have had a girl like you.

Until we meet again . . .rest in Jesus.

*I love you forever,
Gathan*
